Essential Product Information Center (EPIC)

Tutorial

What's New!

Essential Product Information Center (EPIC)

formerly known as "Form Charts"

- *Provides a central location for all of your product information needs.*
- *Capability to search product line information by single/multiple states.*
- *Allows users to generate a report in PDF or Excel.*
- *Displays Spanish and English product information in the same report.*

How to Get Product Information

Select "Line of Business"

Select "Product"

Select "Product Series"

Select "State"
(English and/or Spanish)

Click "Get Report"

Select "Excel or PDF" to generate a report

Get Product Information

Line of Business
Accident Indemnity-AI

Product
